

## TOWN OF NORTH READING

*Massachusetts*

---

### Department of Public Works

### NOTICE

The Town of North Reading, through the Board of Selectmen, has declared Stage I Water Use Restrictions to be in place effective June 6, 2016.

Under Stage I Water Use Restrictions, the mandatory water conservation limitations are increased such that **lawn watering is restricted to two (2) times per week**. Residents with ODD numbered addresses may water lawns on Tuesday and Friday only. Residents with EVEN numbered addresses may water lawns on Wednesday and Saturday only. Watering is restricted to the hours between 12 midnight and 7 a.m. or between 7 p.m. and midnight.

The Stage I declaration is designed to reduce water demand so there is adequate water to meet all the needs of the community while reserving sufficient water in our storage tanks to provide for fire protection. It is anticipated that the water restrictions will remain in place through September 30, 2016.
